

## 2024-2026 KANSAS DISTRICT LWML MISSION GRANT #7

### *Lutheran Special School*

Lutheran Special School, Kisumu, Kenya, Computers

\$5,000

The money will be to purchase ten computers that will be used by special needs students. Their current computers are over 13 years old. The school uses this technology for not only daily lessons and communication, but also to share music, Bible stories, and the love of Jesus to children often forgotten by society.

**PRAYER:** Heavenly Father, we ask your presence with the Lutheran Special School students and their staff. May the computers be a blessing for daily lessons, communication, and to share the gospel of Jesus. Amen.
